

# FACULTY OF ARTS & SCIENCES

## FRESHMAN SELECTION OF A PROSPECTIVE MAJOR

Valid only for freshman selecting a major within the faculty

Freshman students wishing to select a prospective major in the Faculty of Arts and Sciences may do so after they have completed **at least 24 credits** as Freshman and satisfied the "requirements for selection of a prospective major" (**see back page**), and provided they are **not** on academic probation.

This form should be submitted to the Faculty of Arts and Sciences Admissions Committee immediately after the semester grades are issued, and within one week after the end of that semester. The selection, if approved, becomes effective at the beginning of the semester for which the request is made.

**Procedure:** *Complete this form, attach to it a transcript of your grades for both semesters, take it to your Freshman adviser who will make his/her recommendation and send it to the Faculty of Arts and Sciences Admissions Committee for action. The decision of the committee, taking into consideration the criteria established by the prospective departments, will be communicated by the registrar to the student concerned in writing with copies to the Office of the Dean, the Freshman adviser, and the Chairperson of the department concerned.*
